

Charlevoix Rayders Invade Viking Land Friday Night

Harbor Rams Upset Grayling Vikings Hectic Overtime Basketball Game

Little Vikings Win Over Ram Reserves

Grayling High Vikings managing to hold on to a place tie in conference play through they lost to Harbor Rams there last Friday, returned to take on the Charlevoixers at the new gym in an attempt to continue near the top in play. The Vikings although in four times on the road, a record of six straight wins but a defeat on their new floor.

The Vikings went down to defeat in a hectic three minute overtime in their game with Harbor Rams there Friday night. Several factors to the loss, the small gym, inability to hit for scores when they most needed, inability to get the ball when it was needed and the loss of Gary Porter who seemed to all Grayling spectators an inexcusable factor on the part of the officials. When was attacked by Harbor's Larsen but refused to indulge in scuffles. When the officials saw Larsen out of the game, they included Worden as a participant in a crime which was far from facts.

Harbor outscored Grayling at the field 24 field goals to 20 at the foul line the Vikings led on 13 out of 22 shots while Rams with a like number of attempts made good on but 11.

James Destroy Way Home

James, blamed on a defective key, almost completely destroyed the Charles Kewey home. Its furnishings here Friday. The house is located on Spruce St. Judy Munsie, of Grayling, crippled by polio, was alone in the house when she discovered the fire. Only with extreme difficulty was she able to get to a neighboring home to call the fire department.

The owner carried only a small amount of insurance on the property. The fire department reported.

1,300 Inspect New Grayling Store

Well over 1,300 people inspect the new Grayling Pharmacy on their two grand opening days last Friday and Saturday. The estimate was made from the fact that about 1,300 persons registered for the free door prizes given by the new Grayling business.

Mr. and Mrs. W. Donald Wood of the Grayling Pharmacy express their appreciation to all of those who came to the store during the grand opening. Awarded prizes on Friday were: Mrs. M. Meach, luggage; Mrs. Harry Benson, electric blanket; J. E. H. electric clock; Herb Phillips, camera; Chuck McDaniel, Alan L. Johnson and John Gingsick, prizes from the toy bar.

Hope To Hold Special Lenten Services

Five midweek Lenten services will be held each Thursday, at 8:30 p. m., at Mt. Hope Lutheran church of Grayling. The Lenten season will begin for the members of Mt. Hope Church on Thursday, February 16th. Lent is a period of 40 days of meditation and repentance, a time of quiet and devotion in which to remember the suffering and death of Jesus Christ. The members of Mt. Hope Lutheran Church will spend quiet moments each week in Thursday, at 7:30 p. m., to express their devotion and gratitude to God. They invite you to pause each week and worship with them. These brief evening services, which will introduce you to the different persons who came in contact with Christ during the last hours of His public ministry on earth. Come every Thursday to receive God's blessings. See advertisement on page 4 of this issue.

Hold District M. E. A. Meeting In Grayling

On Wednesday, Feb. 1st representatives from the Hartwick Pines District of the Michigan Education Association met for an evening session at the Grayling High School.

Richard Adams, M. E. A. staff representative, and C. M. Novak, member State Tenure committee and teacher at Charlevoix, gave talks on Tenure in Michigan schools.

A general discussion was held on tenure after which it was voted to hold a special meeting in Charlevoix, Michigan, on the subject of tenure.

Frederic Eagles Tounce Favored Rose City, 71-51

The Frederic Eagles turned in a 14 to 9 floor game and trounced favored Rose City 71 to 51 at Frederic Friday night. In the first meeting of these two teams earlier in the season at Rose City, the Eagles took at 51 to 39 pasting.

Using a full court press throughout the game, Frederic took a 14 to 9 lead at the end of the first quarter and added a big 28 point second period to hold a 40 to 21 halftime edge. In the third quarter, the visitors outscored the big birds by a 18 to 17 margin, but Frederic came back to post a 14 to 12 final quarter of play.

Bob Pratt dumped in 18 points to lead in Frederic's victory, while the other team gave them a season record of 5 wins and 5 defeats. Alfie Hummel added 11 points, Larry Baynham, Wayne Winston and Bruce Welch 10 each, John Mertes 3 and Gary Phipps and Jim Peterson 2 each.

Rice with 17 was top for Rose City. Frederic also won the preliminary contest, a Junior High game, by the score of 22 to 19. Frederic held a slim 15 to 11 halftime advantage. Jack Smith with 8 was high scorer with Jerry Gabriel adding 5, Bill Johnson 5 and Paul Rolfe 3. Everett and Rohl with 4 each topped the Rose City Junior High scoring.

Frederic next takes on the Thunderbolts at Frederic this Friday night. A girl's basketball game will furnish the preliminary contest.

Bound Over On Morals Charge

Paul R. Dunlap, 57, of Route 1, Grayling, was bound over to face Circuit Court on a charge of indecent liberty after entering plea of guilty to the charge before Justice of the Peace Van Zile Smith last week.

Dunlap was arrested by Sheriff John A. Papendick last Tuesday on the charge following a complaint made by the mother of a minor Grayling boy.

A bond of \$2,500 was offered to Dunlap by Justice Smith but the prisoner had not arranged the bond and is still held at the County Jail. He will face Circuit Court at the April term or possibly a special term might be held earlier.

Era Topples Into Oblivion

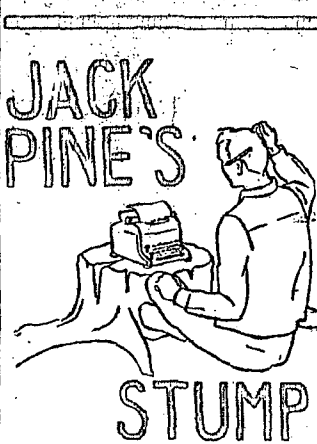

Coal Dock Razing Marks End of Epoch

— Len Allison Photo — Courtesy Bay City Times

The razing of the railroad coal loading dock in the New York Central railroad yards here not only marked the passing of a 60 year old landmark but signalled the passing of an era. The nation's railroads have moved from wood to coal to oil for fuel, and in probably not too many more years on to atomic power. On the third attempt last Tuesday afternoon, the 60 foot high coal dock shivered and slowly leaned to the north. Quickly picking up speed it hit the ground with a thundering roar and sent up a terrific cloud of coal dust. The first two attempts to pull over the structure were unsuccessful when the cables snapped under the heavy strain.

A general discussion was held on tenure after which it was voted to hold a special meeting in Charlevoix, Michigan, on the subject of tenure.

When the proud father called up the paper to announce the birth of twins, the editor didn't quite understand him.

"Will you repeat that?" he asked. "Not if I can help it," was the reply.

The other day my good wife went into the Grayling Mercantile to purchase a winter coat that was on sale for one of the kids.

And there she was waited on by brand-new ski enthusiast Bill Joseph. Seems like one thing led to another and in short order friend wife was just as enthused about skiing as Bill was. So Bill sold a complete outfit, pants, jackets, boots, gloves... all but skis. (Why don't you sell skis next year, Bill?) After one lesson my wife is convinced that anyone who doesn't take up skiing is nuts... and that includes Jack Pine. She is busy rounding up recruits for next week's lesson.

Thursday night skiing is good for Grayling people. For fifty cents you get a lesson, the use of the tows, and meet just about everyone in town. All ages take lessons, all sizes take lessons. The whole town is really ski-conscious. With such a wonderful Winter Sports Park, Grayling really should be! And everyone likes the instruction at the Park. I hear tell that one of the neighboring ski places had a bad time a few weeks ago when the usual instructor didn't show up. Someone else took the beginners on. When they didn't do as he thought they should, he took the swearing at them. All school kids know who you are, doesn't it too well with the general public. Or even the ungeneral public.

Got a suggestion the other day about where the blue jays are this winter. Herb Stephan, at the Stephan Wood Works, says that it's about a half hour when a woman came by and told a person in the group, "They won't have to worry about a place to stay; I've got a place with hot and cold running water, all furnished, just sitting there empty... they can stay there until they get settled..." Lady, I ask you people who you are, but God bless you anyway.

Got a pet peeve. A few days ago I overheard a woman who just got her mail complaining about all the bills. Says she, "...and another one from the Doctor. Well, he's just going to keep on coming. Why? Why is it more important to pay the doctor, the clothing store, everyone else, before the doctor gets paid? It doesn't make sense. The doctor takes care of people and a doctor they are... and that nothing in all this world will save them from death. When they are sick (or think they are) they call "good old doc" any time of the day or night, expect him to come a-running (which he usually does) would promise him anything in the world if he will just "fix me up". So doc does. Maybe he hasn't had any supper, any sleep, any time with his family; maybe he is dog-tired, worried about his own bills; maybe he's sick himself. Maybe all these things are so, but at that time doc is the most important person in the world... and at the end of the month... "Well, Doc is just going to have to wait for his..." People who talk like that ought to have their heads sharpened to a point and then driven head first into the ground. I think I'll start a crusade...

While on that subject, here's a doctor story I just heard. Doctor: "Now, madam, place this thermometer between your teeth and keep your lips close for five minutes. Husband (aside to Doctor): "What'll you take for that gadget doc?"

Busiest man in town these days is John Hume, the now bankrupt Shading hands, making people, drinking coffee, shaking hands, talking about the future, shaking hands, explaining new bank policy and shaking hands. He wants to meet everyone in town. He's already got a good start. He'll do it, too... if his handshaking hand holds out.

JACK PINE.

County Republicans To Meet Next Monday

A meeting of the Crawford County Republican Committee which was slated for Monday, February 6, was postponed until Monday, February 13 when a heavy snowstorm struck the county.

A very few came to this week's called meeting. Several persons throughout the county phoned in saying they would be unable to make it due to the storm. It was decided to postpone the meeting one week.

Among the business to be accomplished is the planning of an observance of Lincoln's birthday and to elect County committee officers. Financial matters will also come up for discussion. All voters are welcome to attend the meeting, County Chairman John H. Peterson stated.

Delegates to the Republican State Convention to be held in August will also be elected at the session.

March of Dimes Nears Close

Though no official report is available pending returns from many of the March of Dimes committees, drive chairman, Dr. Ralph Hoffman has revealed that Crawford County is trailing slightly behind the 1955 effort. The Mother's March total and the business canvass are two divisions that appear to have exceeded last years results. However, with the special Spaghetti dinner at Bruno's Tavern, which was to have been served Wednesday this week, the special events division will close the campaign somewhat behind a year ago. It may be that Bruno's genuine spaghetti dinner will close this gap. As of Monday morning, \$2,000.00 had been banked or about 40% of the goal the committee had set for itself.

In order to arrive at the final standings of the 1956 drive, Dr. Hoffman is desiring that the committees complete their assignments as early as possible. When the results have been completely tabulated, a final report will be made thru the Avalanche. In the meantime, Dr. Hoffman has asked that any person who is organization desiring to contribute to the 1956 March of Dimes, send their contribution direct to him at Grayling or present it to Mr. John Alef at the Grayling State Savings Bank.

Mark Beltaire To Crown Michigan Winter Queen For 1956 On Sunday

Fourteen Queens In Contest, Expect More

The thirty-first Grayling Winter Sports Carnival will take place this weekend with Detroit Free Press columnist, Mark Beltaire to crown the 1956 Winter Queen of Michigan on Sunday at the Grayling Winter Sports Park.

Carnival co-chairmen Mrs. B. E. Henig and Lewis Stillwagon both expressed their belief that this year's Winter Carnival would be another successful one for which Grayling is noted.

Fourteen Winter Queens are now entered in the competition for the title of Miss Michigan Winter Queen of 1956. Latest to enter was Yvonne R. Buskard, 21, a five foot, six inch blond who is being sponsored by the Metropolitan Detroit Ski Council.

The Council is made up of about 25 different ski clubs in the Detroit area. Mrs. Buskard is a secretary at Ford Motor Company. The other three late entries, Miss Carol Kindt, Miss Alpena 1956 and Nancy Phillips, 17, Houghton Lake High School senior as Miss Houghton Lake 1956 and Karen Matson, 18, Miss Lake City '56.

The other nine communities represented in the contest besides these three and the hostess queen, Miss Grayling, Mary Richardson, are: Boyne City, Sheridan Valley, Traverse City, Wolverine, Roscommon, Gaylord, Cadillac, Ausable, and St. Ignace.

At the contest, Silver Valley and others may enter their Queens before the Saturday morning deadline as well.

All contestants for the title are to be registered at Shoppenagons in the dining room of the hotel at 9:30 o'clock in the morning. There will be a round of picture making followed by luncheon for the contestants at the hotel dining room at noon.

Judging is slated at Grayling High school gymnasium during the afternoon. Name of Miss Michigan of 1956 will be announced at the Queen's ball at the same place Saturday evening. The dance starts at 9:30 o'clock.

The queen's banquet is scheduled at 8:30 o'clock Saturday night in the dining room of the American Legion, host 106 home. Upwards of 250 are expected to attend the event.

The Sunday agenda includes brunch for the new queen and her court which will include all contestants. Following will be the official coronation on the big ice throne at the park. Governor C. Mennen Williams who was to crown the 1956 Michigan Winter Queen will not be able to be at the Carnival due to being called out of the state. Mark Beltaire Detroit Free Press columnist will place the diadem upon the head of the young lady selected as Miss Michigan Winter Queen of 1956.

Attorney General Thomas Kavanagh will represent Governor Williams at the Queen's Banquet Saturday night and at the Queen's Ball later that evening. He will, however, be unable to stay over for the Sunday ceremonies, which will get underway at 2:30 p. m.

Attorney General Kavanagh will speak at the Queen's Banquet and is expected to make the official announcement of the 1956 Miss Michigan Winter Queen at the Queen's Ball later Saturday evening.

Evening take place at the Grayling Winter Sports Park other than the Coronation are: On Saturday at 2 P. M. final ski races will be held. The final ski races will take place at 1:30 P. M. Sunday with the Coronation taking place at 2:30 P. M. sharp. The coronation will be broadcast "live" over Radio Station WATC, Gaylord, making the time very important. At 8 P. M. there will be trick skiing and toboggan riding. At 5 P. M. the Coronation will be re-broadcast over Radio Station WATC. The admission for the Queen's Ball has been set at \$1 per person and tickets will be available at the door. There will be no advance sale of tickets for the Ball.

The deceased succumbed February 4th at Mercy Hospital after a week's illness. Death was attributed to a cerebral hemorrhage. He was born March 5, 1903, to Thomas Edgar and Martha Douglas in Grayling. The family moved to Lovells after his mother's death.

Mr. Douglas attended Grayling schools and the University of Michigan. He married Beulah Colten on April 15, 1928. He is survived by his two sons, Thomas Edgar Douglas III of Grayling, and James Douglas, Nashville, Tenn., three grandchildren, his mother, Mrs. Martha Douglas and sister, Margaret Douglas.

Funeral services will be held at 10 o'clock Monday, February 6th at 2:00 p. m. at the Michelson Memorial church, Rev. Wayne Root was assisted by Rev. R. C. Puffer at the services. Mrs. Root sang "Beyond the Sunset".

The Board of Directors of the Grayling Winter Sports Park, Inc., at their meeting Monday evening voted to send the 1956 Miss Michigan Snow Queen to the Miss Michigan contest next summer. This contest selects the young lady who will represent the State of Michigan at the Miss America contest at Atlantic City.

The Grayling Winter Sports Park enjoyed another terrific weekend last weekend. The crowd was counted at the park at 2 p. m. Sunday afternoon and amounted to 2,200 persons. Besides a lot full of parked cars, there were seven busses at the park. Several groups are lined up now to be at the park for a weekend of winter fun for the two weeks following the carnival weekend.

Board Approves Hospital Plans

The Grayling Mercy Hospital planning committee meeting with Gordon Cornwall, the architect last Friday gave their approval to the final plans for the new hospital.

Final mechanical plans for the building were to be completed by the end of last week. The complete plans must now be forwarded to Chicago for inspection by the Federal Government who is participating financially in the new hospital erection. When the Federal Government has given their approval to the plans, bids will immediately be let for construction.

At the present time, it is estimated that ground will be broken on the site out-Michigan Avenue by May 1, 1956. Plans will undoubtedly be made for a ground breaking ceremony. If this definite date can be set following the letting of bids.

The only thing that might upset the planned time schedule now would be a refusal by the Federal Government to approve portions of the plan. If this happened those parts of the plan would have to be executed again. Federal approval of the present plans, however

Out Hot Lunch Program

WHAT WE TEACH AND

Pictured above is the "hot lunch" area in the new addition to the Grayling Public Schools. Some students are busy eating at nearby tables while a line of students are waiting in the background to be served through the serving window from the new kitchen.

By Frank Bond

In the late 1930's the Homemaking girls started a project of serving sandwiches and hot cocoa to a few students who could not get home for lunch at noon. The food was prepared and served in the homemaking room.

In the early 1940's a portion of the home but the space vacated by the hot lunch program was set up for hot lunches. Linoleum covered boards were set up on saw horses in the lower hallway of the high school and benches were made to sit on. The hot lunch department had only one stove and had to utilize the homemaking stoves and ice box. Later a deep freeze was added for meat storage.

In 1945 when Mrs. Laura McLeod, our present cook, came to the school about 45 pupils were being served daily. Last year the average served daily was about 85 pupils. This year the average is running about 100 daily with as high as 109 being served in a single day.

The new quarters in the new building are not only much more adequate but the space vacated in the High School building is being used by the Homemaking classes until their new rooms can be finished.

In the new kitchen we have two double ovens, electric stoves, one electric deep freeze, one large electric food mixer, silverware, drainers and dispensers and service for about 125 people.

A variety of food is served in quantities that usually allows for "seconds" and even "thirds" for the bigger appetites. A check of the record book shows that during the week of January 23rd, the following menus were served: Monday—Spaghetti with hamburger, vegetables and tomatoes, cheese, bread and butter, milk and pears. Tuesday—Mashed potatoes, beef stew with vegetables, bread and butter, milk and jelly. Wednesday—Macaroni goulash with beef bread and butter, milk and vanilla pudding. Thursday—baked ham and sweet potatoes, bread and butter, milk and apple sauce. Friday—Baked chicken, cabbage salad, bread and butter, milk and peaches.

Going back through January and the following menus were also served: Tuna noodle casserole, chili, hot dogs and buns, scalloped potatoes, salmon sandwiches, creamed salmon and tuna on toast, chicken noodle soup, Bologna sandwiches, hot meat loaf sandwiches with gravy, home made cookies, Johnny cake, peach and cherry cobbler, lettuce sandwiches and peanut butter, ice cream, also served at noon but it is not included in the regular lunch price.

Some foods are obtained from the U. S. Department of Agriculture through the government food subsidy. We pay the transportation cost of trucking them from Boyne City, the distribution center for this area. Other foods are purchased from local dealers and wholesale houses.

The charge for those paying for hot lunch is 25c per day or \$1.10 per week. Teachers pay 30c per day or \$1.25 per week as the law states that adults must pay more than students.

For each student meal the state and federal governments reimburse the school district at the rate of 3c. The total amount paid is not quite enough to cover the cost and a small deficit has been paid by the Board of Education each year.

One cook is able, with student help, to serve about 100 pupils so we are now at about our maximum for one cook. To add another cook would require about 100 more lunches per day in order to have the program come near paying for itself.

BRIDAL SHOWER HONORS PAT MALLINGER

A bridal shower honoring Miss Patricia Mallinger, daughter of Mr. and Mrs. John Mallinger of Higgins Lake, was given last Thursday night by Mrs. Frank DeWitt and Mrs. Oscar Schmelker at the former's home in Roscommon.

The gifts for Miss Pat were placed under a ruffled white parasol. The guests were served ice cream decorated in the bride motif, beautifully decorated little cakes, and coffee, with lump sugar decorated with little flowers. Favors at each plate were heart shaped ceramics, which had been made by Mrs. Schmelker.

Games were played during the evening at which Mrs. Fayst Barber won one of the prizes.

Ladies from Grayling who attended were Mrs. Celia Granger, Mrs. Ulfarley Russell, Mrs. Forrest Barber, Mrs. Carl Hanson, Miss Ruth Corwin, Mrs. George Milton, Mrs. Wilfred Laurant and Mrs. William Heric.

LAUREL Race

by ART GOODRICH

The fact that highway speed laws aren't really a scientific study of safety, but just seem to be pulled from a hat becomes especially apparent when you drive through the U. S. You may cross two or three in a day and find the speed limit jumping up and down between 50, 55 and 60.

The American Automobile Association recently proposed a new method for setting highway speed limits. The idea is to let motorists themselves decide what a safe speed is.

It's done, like so many things these days, by a survey. The AAA has found that a safe speed is usually traveled by 85 percent of drivers on any particular highway. The AAA has asked that state-wide or province-wide laws, many of them unrealistically low, be abolished in favor of the speed that radar devices show is the average of 85 percent of motorists.

Figures I noticed recently showed that, contrary to what I always believed, most highway accidents don't happen at high speeds. A study in Nebraska established that 73 percent of all accidents occurred at less than 30 miles an hour. When speed limits were raised in Nebraska, accidents were reduced and the average speed of the cars on the highway didn't change at all which only went to prove drivers were ignoring old speed limits anyway and driving at what they thought was a safe speed.

You just have to conclude that most drivers are not any people with good horse sense. We think so, because they built our good name in the used car business by doing year-in, year-out value and satisfaction. Our best investment is the number of people who've come back to us to buy cars from us.

Don't forget that the new Michigan speed law is now in it, let's give it a fair and honest chance to succeed or fail. So from here on in let's do as the signs say and drive no more than 65 miles per hour daytimes and no more than 55 after dark.

Of course there is another major cause of accidents, reference to speed and that is the fellow who goes slow on main highways where traffic should be kept at a pretty good clip to eliminate congestion and other words if you are on a busy highway travel as fast as possible to the average speed driven by the other cars on that highway.

Cadillac

His Favorite Investment!

"It's the wisest motor car investment I ever made!"

"I've owned a great many makes through the years, but Cadillac wins my vote as the finest investment of them all."

"In my book, it is the best dollar investment on the highway today!"

We can't tell you how many times we've heard it. In fact, Cadillac's value and economy have become favorite topics of conversation among Cadillac owners everywhere.

And their sentiments are based on some very substantial facts about the "car of cars."

First of all, there's the economy of buying a Cadillac. Many models are actually priced competitively with the "medium-priced" makes.

Then there is the economy of operating a Cadillac. Cadillac's gasoline mileage is simply phenomenal for a car of its size and stature...

... and its dependability is truly extraordinary.

And, finally, there is the economy that comes from Cadillac's great value. In resale markets all across the land, the Cadillac car traditionally returns a higher percentage of its original cost than any other automobile built in America.

And consider what generous dividends Cadillac owners receive from their investments.

... Cadillac's superlative beauty and luxury... Cadillac's magnificent performance and comfort... and Cadillac's wonderful reputation among the world's motorists.

We suggest that you pay us a visit soon and investigate the latest and finest Cadillac investment of them all.

We have the car... and the keys... and the facts—and we'll be happy to give you all three at any time. Why not make it today?

Happy Birthday, Boy Scouts

We salute the Boy Scouts of America on its 46th birthday, now being observed during Boy Scout Week, January 6 to 12.

Scouting is a program for all boys everywhere. It is successful in the widest rural areas and in the most isolated cities. It possesses an inherent appeal for healthy, vigorous, normal American youth and also for fields of achievement for the handicapped.

It has often been said that a boy can always find something to do. It is when he finds something to do that does not measure up to reasonable standards that he gets into trouble. Scouting offers a steady stream of activities that often tips the scales away from delinquency.

Scouting has three program parts to meet the needs of different age levels.

Over one million families, together with their ten-to-ten-year-old-sons participate in Cub Scouting, to be America's largest and most dynamic parent-son program. Today there are 1,430,000 Cub Scouts in 36,000 Cub packs.

Boy Scouting provides for eleven, twelve, and thirteen-year-old boys an outdoor program that helps them grow in character and citizenship. Today 1,160,000 Boy Scouts are active in 54,000 troops.

Exploring serves the boy of fourteen and over with a program filled with high adventure and opportunities to practice good citizenship. Today 440,000 Explorers are members of 14,000 Explorer Units or are Explorers in Boy Scout troops.

Many hands join to bring Scouting to these 3,030,000 boys and young men. In addition to the 1,070,000 volunteers who provide the leadership for them are 68,000 sponsoring institutions that actually operate the 104,000 Scouting units. This roll of institutions sponsoring Scout units really represents dedication in action. They represent the religious, civic, educational, and veterans organizations of the nation.

Our readers will wish to join us in saying, "Happy Birthday, Boy Scouts!"

Interesting Events In Grayling 23 Years Ago

INTERESTING ITEMS OF NEWS GATHERED FROM THE FILES OF THE AVAANCHE OF 23 YEARS AGO

February 9, 1933

An item from the Gladwin Record reads as follows: It is time for some people to make out an income tax statement. Many will have an opportunity to do this for the first time this year. That is not because earnings have been larger but because exemptions are much less. The exemption for married men is put at \$2,500. For single people the exemption is but a thousand dollars. That means that many young people must make returns and pay something to their Uncle Sam. It is estimated that these changes will put about 1,700,000 additional people on the income tax rolls. It was to be expected. The federal government has been running behind for two years or more.

Alex Atkinson returned home Friday from Saginaw after having spent a few days there on business.

Dell Wheeler caught an 11½ pound pike at Lake Margrethe Saturday morning. It measured 36 inches long.

Miss Irene McKay, who is recovering from an operation, is spending a few days as the guest of Miss Pauline Schenck.

Miss Margrethe Hanson left Wednesday for Detroit, where she met Miss Ella, and the two young ladies will spend a few days there visiting relatives and friends.

Wilhelm Raue, T. P. Peterson and Carl Johnson will leave the end of this week for Texas, where they will spend some time in looking over the country there.

A silver candelabrum with orange candles centered the long table at which Mrs. C. G. Clippert entertained the ladies of the Bridge Club at a very charming luncheon Saturday afternoon. After the bridge game which followed, the high score was held by Miss Margrethe Bauman. Mrs. Robert Reagan was a guest of the club and was honored with a birthday cake decorated with candles, and she received the guest prize.

Mrs. Louise Conning honored Mr. Carl W. Johnson, who leaves this week for an extended trip to Texas, by entertaining a company of ladies and gentlemen at dinner Wednesday evening. The high scores for bridge, which followed the dinner were held by Mrs. A. J. Joseph and Dr. C. R. Keyport, and Mr. Johnson received the guest prize.

Miss Lorane Freeman and Miss Ruth Graham of Durand were weekend end guests of Miss Viva Rosell.

Elmer Lozon has taken over the sales of the Pontiac Straight 8. He says it sells for \$735 delivered.

The Grayling High Reserves travelled to Houghton Lake last Friday night, and returned home with a 25-13 score. The Lake-sideers obtained revenge for a previous loss here in Grayling.

We never did believe the groundhog story anyway. Hope he had sense enough to go back into his hole for six weeks.

Beverly Schlabbe of the Military reservation is numbered among the victims of mumps. She says she feels fine but doesn't like her looks.

The Knights of Columbus following their regular meeting Tuesday night, had arranged for a card party and were expecting a big crowd. But it was such a stormy night that there were but few present. However, those who were there enjoyed playing pinocle and prizes for the ladies were won by Miss Odie Sheehy and Mrs. Tracy Nelson, while Henry Bousson carried off the honors for the gents. Prizes were "square timber" cookies made by the Lovelays. Lunch was served.

The Cheboygan High School Avalanche, after a slow start in the first period, gathered weight and power and rolled over a crippled but game aggregation representing Grayling High. The game was played at the northernmost court last Friday night, and the score was 23-11.

A team selected from Grayling High School's intramural league lost a 16-15 decision in Frederic Monday night as their high school gained revenge for a previous loss on the local floor. It was a rather misplaced revenge as this team of league representatives had only one man who played in the other engagement, but the facts still gave Frederic the one point margin, and their satisfaction is undiminished.

Friends and neighbors of the Charles Owen family in Maple Forest gathered at their home last Tuesday for a wood-making bee. Potluck lunch was served at noon by some of the ladies; the remainder spending their time sewing. This day of kindness is sincerely appreciated by the Owens. Charles still being under observation at the Great Lakes Government hospital.

Mr. and Mrs. Stanley Hummel and Miss Mary entertained the Maple Forest people at the Town Hall Saturday evening in honor of their father's (Alfred Hummel) birthday. Games were enjoyed and lunch was served after the Grand March. The remainder of the evening was spent in dancing and visiting. The party was enjoyed by all.

Regular meeting of the Woman's Club was held Monday evening at the home of Mrs. Salmon. The Club voted to write Senator Ben Carpenter with reference to continuing the State Library Extension Service, which the State wishes to discontinue. A report from Mrs. Barnett and Mrs. Schmidt was heard relative to their meeting with the Village Council in regard to an ordinance for control of radio interference. Rev. Salmon gave an interesting talk on "The Spirit of the Younger Generation," with special reference to criticism of modern youth, youths spirit of adventure, and their willingness to try things where others fail.

He also pointed out that it is the home that turns out mental, physical, religious and social specimens.

and if the home fails, then "youth" fails. The next meeting will be the social meeting, at the home of Mrs. Emil Giegling.

46 Years Ago — February 10, 1910

Thorwald Hanson is in Detroit on business this week. Eugene C. Kendrick arrived here from his western home late yesterday. He reports the hardest winter ever known in northwestern Nebraska or Wyoming, the latter of which is a great sheep state. Mr. Kendrick estimates that at least ninety per cent of all the sheep in that state are lost.

Miss Blanche Pratt gave a surprise farewell party Saturday evening at the home of Karl Wilson in honor of the Misses Livina and Hazel Wilson. An enjoyable evening was spent, including games, music and refreshments.

A. B. Failing and his Sunday School class were entertained at a six o'clock dinner Thursday by Will Lander.

Mike Brenner has been appointed Finance Keeper of the K. O. T. M. in place of William Woodfield, resigned, and will collect the dues from the members hereafter.

Grayling can boast of another musical organization to be known as the "Grayling Independent Orchestra." They are all good musicians and some first class orchestra music is promised us.

A large crowd witnessed the basketball game between the Cheboygan and Grayling City teams Friday night at the Temple Theatre, which resulted in a score of 39-21 in our favor.

Prof. Bradley's driving horse beat the record in a runaway in the street here last Saturday. One of the boys was driving, and the animal left the boy and the cutter, except the shafts and cross bar, which he kept with him till he got out of sight, kicking at nearly every jump. We have not heard what damage was done.

Mrs. Frank Peck spent Sunday with her old friend, Mrs. O. A. Gibbon of Roscommon.

Mr. and Mrs. W. J. O'Hare of Bay City were guests of her parents, Mr. and Mrs. Frank McLean for a few days last week.

Mr. and Mrs. Hal Davis were guests of Mr. and Mrs. Marius Hanson last week. We hear that Mr. Davis left the tiger and

will go into the automobile business. Prof. J. E. Bradley and family of Frederic spent Sunday in town with Mrs. Bradley's parents, Mr. and Mrs. L. H. Chamberlain.

Mrs. Wingard's Sunday school class enjoyed a sleighride last Friday evening. After the ride they returned to her home and were served with a dainty lunch. Mr. and Mrs. H. J. Goslow went to Gaylord Saturday afternoon. Mr. Goslow returned Saturday night, leaving his wife to spend the week with his sister, Miss Nora Goslow.

FIRST THING you need in a car, of course, is power to spark performance.

And you get that in a 1956 Buick in plenty — from big 322-cubic-inch V8 engines that hit new highs in horsepower and compression.

But the power under the hood must be carried to the rear driving wheels in the form of twisting force on the drive shaft.

That's torque — the end-product of your transmission. And the higher the torque build-up — the greater the "torque multiplication" in starting and accelerating — the better the getaway and response.

So if you want to feel take-off that leaves your breath behind you, come try a '56 Buick with Variable Pitch Dynaflo.*

For in this airplane-principled transmission, Buick engineers raised the ceiling on torque to give you the best getaway yet.

They did it with something they call "double

regeneration" — a new way to make flowing oil add to its own velocity.

And when you use the full torque of a Buick beauty like the one pictured above, you're using the highest torque multiplication to be had in any standard-production American automobile today.

Come see for yourself what that means in new thrills and new safety.

You'll find brilliant new getaway response in the first inch of pedal travel — plus greater gas mileage to boot.

You'll find an electrifying new safety-surge of full-power acceleration when you floor the pedal and switch the pitch.

And you'll find this spectacular performance blended into the smoothest-traveling, the sweetest-riding, the highest-powered and the easiest-handling Buicks yet built. Drop in on us this week — today, if you can — and judge things firsthand.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century — optional at modest extra cost on the Special.

Frederic Boy Scouts Honor 46th Anniversary

We plan to celebrate the 46th anniversary with the biggest event of the year, our second annual banquet and court of honor. There will be four promoted to Star Scouts. They are Billy Johnson, Charles Lodge, Benny Pratt and Gary Pippo. Danny Newberry will be promoted to first class.

Our troop has increased from 16 to 22 in number the past year. We have also had several promotions as nearly all of our members have been promoted at least one rank.

The good turns we completed in the past year are: Helping with the skating rink at the school with the assistance of our Explorer adviser Charles Chapman, we constructed a small arms range north east of Frederic, and with the assistance of Charlie Chapman, the AuSable Souvenir Works, Wm. and Alan Leng Garage, and the co-operation of the Frederic Township the indoor range in our community building. We also constructed a raft, and put it in Red Head Lake. This was enjoyed by the public as well as ourselves while swimming last summer.

We enjoyed ten days of camping during the last year. Troop members were spent at Rocky Island Lake in Canada, all expenses paid by money earned by the troop from their money raising projects.

The program for our second annual banquet is as follows: Banquet at six. Toastmaster for the evening Mr. Merle Howard; movie of Scouts fishing trip to Canada; Court of Honor; How Scouts are promoted by Scoutmaster, Leo Post. Speaker for the evening will be Mr. Arthur Henry, executive of the Paul Bunyan Council. Mr. Henry has been a professional Scout for seventeen years and is

Bear Lake News — By M. D., the Roving Reporter

One thing I forgot to report last week. Any one who likes to skate, we have a place out here on Bear Lake. Joe Newman and his jeep are keeping a place cleaned off. Just go down to the public fishing site.

The Lohrs of Elmore, Ohio, are up for the week end and Evert Worthington and Roy Butterfuss also from Elmore are here to do a little rabbit hunting. Not for many rabbits this week but wonderful weather and snow shoeing. We will try again tomorrow. Some went mist fishing and they did not do so well either.

We have one of the lost dogs back. The Auto Boat salesman is up "Bill Ray".

Jack Pine Stump wants a report on the Blue Jays. Of all the times we have been hunting we have not seen one Blue Jay so I wonder too what has happened to them. Maybe it is too warm and nice here this winter and they

have moved further north.

Monday A. M. "Late edition" Lawrence Drouillard of Johannesburg, owner of Drouillard's Bar, and Clarence Bertschinger of the Tool & Gage Co. in Gaylord, are having coffee with us, also Al and Marge Hirt and Frank McLaughlin from Torch Lake. For Monday things are looking up. Bill Ray is still here says four more days.

Now I must go rabbit hunting so be seeing you.

NEW YEARS LENT WHY LENT?

MEMORIAL DAY JULY 4TH LABOR DAY

For hundreds of years the Christian Church has set aside the six weeks before Easter and has designated them "the Lenten season."

The purpose of this special season is to give Christians an opportunity to recall the meaning of sin and the assurance of redemption. It provides Christians with an opportunity to tell the unchurched residents of their communities of the central fact of the Christian faith — the death of the Son of God to atone for the sins of the world.

The message of Lent is to Christianity what a spring is to a watch, what a motor is to a car. Take the message of Christianity and death out of the Christian religion and you have only a worthless shell.

The message of Lent is still the message of Paul: "Christ died for our sins according to the Scriptures."

During these weeks thousands of churches throughout the nation are bringing this fundamental Bible fact into sharp focus. If you have not yet found forgiveness for your sins through faith in Christ, we extend a hearty invitation to you to attend our Lenten service.

The Matilda Bauman Circle met Friday afternoon, and the regular monthly meeting of the Society was Tuesday evening with Mrs. Russell Mosher conducting the lesson on the theme, "The World's Laborer, Worthy of His Hire."

Men's Club

The annual Father and Son affair of the Men's Club will follow the regular pattern, starting with a potluck supper at 6:30, and the program is planned to interest a wide age range, including a movie.

The Lenten season opens February 15, and will include a variety of special activities. Methodist's Week of Dedication begins Sunday.

Calvary Baptist Church News

Rev. Robert Luby from Rural Baptist Mission of Ludington will be the speaker Sunday, Feb. 12. We extend a cordial invitation to all who have no home church to attend.

We were pleased to see 76 in Sunday school attendance. We all enjoyed having Rev. Wilbur Webber of Howard City, Mich., with his morning message was from the book of Romans Ch. 5 verses 1-12 on the seven results of justification, which was inspiring to all. In the evening service we were honored with a solo by Floyd Davis, with Mrs. Shirlee McEvers as pianist. Rev. Webber's evening message was from the Book of Acts explaining the difference between the believer just possessing the Holy Spirit and being filled with the Holy Spirit. Both morning and evening services were well attended.

There were quite a few who attended the youth rally at Roscommon Saturday evening but not enough to bring the banner home. The Houghton Lake Baptist church took the banner again. The next meeting will be at the Galilean Baptist Mission of Lyon Manor at Higgins Lake. Let's all turn out and bring the banner home.

Hold Third Meeting Of Grayling Church Council

A third meeting of the members of various churches in Grayling took place Monday night at the Mt. Hope Lutheran Church. At this meeting it was agreed to name the organization which is planned, the Grayling Council of Churches at least temporarily. Charles Holtcamp was elected chairman of the Council, and Mrs. Wayne Root, secretary.

It was agreed to have a voting member of each church in the organization, and that the chairman and secretary would not have voting privileges. In this way each group would have equal voting power, regardless of size.

Parliamentary views and obligations of the organization were discussed and set up.

A second meeting took place Monday a week ago, in which discussion of each church was held, but no action taken.

The next meeting will be February 13th at the Mt. Hope Church at 7:30 P. M. All pastors, and at least one lay member of each church are asked to attend this meeting.

It's the hardtop buy of the year with the most power and size per dollar of any car in this style.

If you're accustomed to buying in the low-priced-three range, chances are you're paying for Pontiac's size, performance and distinction—but you're not getting it! As a matter of fact, you're not even coming close!

Where else at a price so low can you enjoy boasting the most modern, most advanced power plant in the industry—the mighty Strato-Streak V-8?

Where else at a price so low can you get the luxury of Pontiac's optional Strato-Flight Hydramatic—America's newest, smoothest automatic transmission?

Where else at a price so low can you find a big 122-inch wheelbase, such luxurious interiors and all the other fine-car features that put you so squarely on even terms with buyers of far costlier cars? Come in and see how easily this heart-lifting Strato-Streak beauty can be yours. Once you do, you'll be out of the small-car class forever!

 You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

Postmaster Letha A. Leng of Frederic, was one of 6 from the State of Michigan to attend the second "School for New Postmasters" ever held in the United States. Postmaster Leng spent two full days in Chicago on January 23 and 24 at Regional Postal headquarters and at the Chicago Post Office. On January 25 she studied postal forms, the cash book procedure, and rules and regulations at the District Office at Detroit.

To complete her "education" in Crawford County Avalanche Thursday, February 9, 1956

postal work, Mrs. Leng watched for one day the operation of the neighboring Post Office at Harrison, where Miss Winifred Fanning has had long experience in postal work.

The above photo, taken at the Chicago Regional Office, shows left to right Richard F. Richardson, Acting Postmaster, Clinton, Michigan; Walter P. Steele, Acting Postmaster, Muskegon, Michigan; Letha A. Leng, Postmaster, Frederic, Michigan; Ivan M. Vernon, Acting Postmaster, Flushing, Michigan; Alfreda E. Swanson, Acting Postmaster, Freeland, Michigan; Harold R. Snater, Act-

ing Postmaster, Breckenridge, Michigan.

Also attending the Chicago School were five postmasters from the State of Illinois. During the days in Chicago the postmaster class met and discussed operational, personnel, accounting and transportation problems with staff members of the Regional Office, had lunch with Chicago Postmaster Carl Schroeder, and took a trip through the vast Chicago Post Office, largest postal installation under one roof in the world.

The postmaster instruction plan is a part of Postmaster General Arthur E. Summerfield's program.
